EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims:

Claims 14-17 have been **cancelled**.

NOTICE OF ALLOWANCE

Election/Restrictions

2. This application is in condition for allowance except for the presence of claims 14-17 to Group II. methods non-elected without traverse. Accordingly, claims 14-17 have been cancelled.
3. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or render obvious an actuating mechanism for pressurizing a device the mechanism comprising, *inter alia*, a housing, a carrier member disposed generally in the housing and removable therefrom while both are non-integral distinct components, a threaded screw structure slidably displaceable through the housing, a nut member generally in the carrier member the nut member having partial threads and being selectively engageable and disengageable with the threaded screw structure, at least one link member engaged with the nut member and a link structure which couples the carrier member to the link member(s) wherein the link member(s) and the nut member are pivotable relative to the carrier member and the nut
